Analytics

Analytics collects data about the usage of JIRA and sends it to Atlassian. Please see the [privacy policy](#) for details.

Atlassian Analytics ☐ Enabled
This will allow us to collect usage data to make JIRA better.

☒ Disabled
This will prevent usage data from being collected and sent back to Atlassian.

Feedback ☐ Allow user feedback
We'll occasionally ask logged in users if they'd like to answer a few questions to help us improve JIRA. [View a sample](#)
